As such, you should be able to work on multiple projects seamlessly and efficiently, working collaboratively with Design, Sales, Production and Fabrication teams to create designs that dazzle.

Qualifications

- Has exceptional 3DS Max design and rendering skills
- Enjoys presenting and engaging directly with clients
- Can incorporate feedback and generate revised designs
- Ability to ideate quickly through verbal communication, hand sketches and 3D models
- Has a broad knowledge of material and design trends, with a drive to continue learning
- Wants to own their BIG IDEA from concept to fabrication

Requirements

- Knowledge of Photoshop, Illustrator, and Adobe CC to create audience wowing presentations
- A portfolio that includes examples of exhibits, events, and environments
- Bachelor's Degree in Design
- Experience in 3D Studio Max

Compensation & Benefits

- Competitive Salary and Commission Plan
- 401k Plan
- Paid PTO Program
- Onsite Gym
- Growth Opportunities
