

Shop Apprentice

The Position

ProExhibits is looking for an individual who wants to learn about the exhibition and event business by joining our Silicon Valley production team. We're looking for the person who has a natural ability to learn and grow while using their talents to build amazing projects.

Some nuts and bolts about the job responsibilities:

- Responsible for shop maintenance
- Responsible for material handling and maintaining inventory
- Mentored by senior builders on projects
- Able to maintain a safe and clean working environment
- Help with warehouse as needed
- Able to lift 75 lbs.

ProExhibits offers a fast paced fun work environment with an incredibly diverse range of products and clients. We are an energetic and creative bunch and have high expectations for all of our employees. In addition to being fun to work with, we would like to hire someone with the following experience, skills, and attributes:

- Willingness to learn woodworking / exhibit building
- Good communication and problem solving skills
- Strong mechanical aptitude and math competency
- Relevant experience is an asset, but we are willing to train
- Demonstrate ability to follow directions and stay productive without constant supervision
- Ability to work independently or as part of a team with a positive attitude
- Knowledge or ability to learn safety requirements of shop environment

Benefits:

- Gain experience managing projects and balancing multiple priorities, while learning about one of the fastest growing industries
- Experience working on nationally recognized brands
- Work within a high-functioning and inspiring workplace atmosphere
- Onsite Gym and recreation room
- Medical, vision, dental
- 401K

Please submit your resume to Recruiter@ProExhibits.com to be considered for this role.
